

## Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are devoted to giving top quality and new design concepts so as to meet the diverse requirements of their customers.

TREK Cleaning Machines continually provides fresh design concepts as shown in their product development. They like offering items which energize both their dealers and their partners and provide production gains to their customers.

The TREK team of staff enjoys new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements together with their comprehension of cleaning applications, together with owners' strong desire to dramatically reduce cost through productivity gains.

The employees at TREK and their dealer-partners are really dedicated to having both technical support and parts obtainable when it is required. Their high service devotion is amongst the core values in their customer service. Keeping their customers' cleaning machinery functioning and ready day after day is top priority. The company's top of the line technology delivers reliable machine which eventually lowers your cost of cleaning. The product, the price and the service all work as one to be able to make them an industry leader.
